

# FS2S: from Science to Society workshop 2020

Downing College  
**University of Cambridge**  
24th to 27th of March 2020

**Academic directors:**  
Paula Martín-González  
Bernardo Navazo-López

**Program Manager:**  
Marina Martínez-Hernández

## AGENDA

### 24<sup>th</sup> of March

- 11:00 – 15:00 *Arrival*
- 15:00 – 18:00 **Social: city centre tour**  
With visit to King's College  
Take family picture
- 18:00 – 19:00 *Dinner*
- 19:00 – 21:00 *Social*

### 25<sup>th</sup> of March

- 8:00 – 8:30 *Breakfast*
- 8:30 – 9:00 **Opening session**
- 9:00 – 10:00 **Keynote speaker**  
Tony Kauzarides, head of the Milner Institute and founder of  
STORM therapeutics, TBD.
- 10:00 – 10:30 *Break*

#### **Working package 1: tech startups**

- 10:30 – 10:50 **CYTED: transforming lives through early detection**  
Marcel Gehrung, CEO and founder of CYTED and PhD student  
at University of Cambridge, TBD.
- 10:50 – 11:10 **PolyProx: selectively targeting disease-causing proteins**  
Laura Itzhaki, Professor at Department of Pharmacology,  
University of Cambridge and CSO at PolyProx Therapeutics Ltd
- 11:10 – 11:30 **Sorex Sensors: high sensitive sensors transforming industrial  
products**  
Mario de Miguel Ramos, postdoc researcher at University of  
Cambridge and CTO of Sorex Sensors.
- 11:30 – 12:00 **Panel discussion + Q&A**

- 12:00 – 13:00 *Lunch*
- 13:00 – 14:00 **Keynote speaker: regulation & IP**  
Camile Terfvue, associate patent attorney at Mewburn Ellis and PhD graduate from University of Cambridge.
- 14:00 – 14:20 **Mogrify: transforming cell therapy**  
Julian Gough, group leader at MCR Molecular Biology and founder of Mogrify, TBD.
- 14:20 – 14:40 **Qkine: methods for organoid and regenerative medicine**  
Catherine Elton, Qkine founder and CEO, TBD.
- 14:40 – 15:00 **TBD**
- 15:00 – 15:30 **Panel discussion + Q&A**
- 15:30– 15:40 *Break*
- 15:40 – 16:00 **Healx: accelerating treatment for rare diseases**  
Neil Thompson, CSO at Healx, TBD.
- 16:00 – 16:20 **WaterScope: fast, affordable and simple bacterial testing**  
Alex Patto, postdoc at University of Cambridge and founder of WaterScope, TBD.
- 16:20 – 16:40 **Repositive: accelerating preclinical cancer research**  
Fiona Nielsen, founder of repositive, TBD.
- 16:40 – 17:00 **Panel discussion + Q&A**
- 18:00 – 19:00 *Dinner*
- 19:00 – 21:00 *Social with Innovation Forum*  
**Entrepreneurship and drinks: tales and reality of innovation**

## 26<sup>th</sup> of March

8:00 – 9:00 *Breakfast*

### ***Working package 2: science policy***

9:00 – 9:20 **AI governance - IE Business School**  
Mireia Crispin, Junior research fellow at Trinity College,  
University of Cambridge, TBD.

9:20 – 9:40 **POLIS - University of Cambridge**  
Cristina Peñasco, lecturer in public policy at University of  
Cambridge, TBD.

9:40 – 10:00 **Royal Society of Chemistry**  
Karen Stroobans, policy adviser at RSC, TBD.

10:00 – 10:30 **Panel discussion + Q&A**

10:30 - 11:00 *Break*

11:00 – 12:00 ***Keynote speaker: Dame Athene Donald***  
Master of Churchill College and Professor of Experimental  
Physics at University of Cambridge, TBD.

13:00 – 15:00 *Institutional Lunch*

15:00 – 17:00 **Inaugural session Rafael del Pino Scientific Club**

18:00 – 19:00 *Dinner*

19:00 – 21:00 *Social*

## 27<sup>th</sup> of March

8:00 – 9:00 *Breakfast*

### ***Working package 3: academy - industry permeability***

9:00 – 10:00 **Deep Mind**  
Neil Lawrence, DeepMind professor of Machine Learning at University of Cambridge, TBD.

10:00 – 11:00 **AstraZeneca**  
Ultan McDermott, Chief Scientist at AstraZeneca, TBD.

11:00 – 12:00 **TBD**

12:00 – 13:00 *Lunch*

13:00 – 13:20 **TBD**

13:20 – 13:50 **StartCodon**  
Jason Mellad, founder of Start Codon , TBD.

13:50 – 14:10 **TBD**

14:10 – 14:40 **Panel discussion + Q&A**

14:40 – 15:30 **Discussion & closing remarks**

15:30 **Coffee break and departure**
