Interested in the future of Southeastern Wisconsin’s transportation system and how the Region’s land is developed? Join the Southeastern Wisconsin Regional Planning Commission (SEWRPC) and UEDA to talk about VISION 2050—the land use and transportation plan for the seven-county Region. SEWRPC is currently proposing some updates to the plan and will also share information about a funding gap for the transportation system and how the plan would help improve equity across the Region. This is your opportunity to learn about the plan and provide input before SEWRPC finalizes a plan update later this spring. Stop by anytime during the two-hour timeframe. Refreshments will be provided.

PROVIDE FEEDBACK AT THE UPCOMING OPEN HOUSE

Global Water Center (1st Floor Gallery)
247 W. Freshwater Way | Milwaukee, WI 53204
Wednesday, March 18 | 5-7pm

PLEASE REGISTER in advance by contacting Jessica Wetzel at jessica@uedawi.org or calling the UEDA office at (414) 562-9904

The Global Water Center is served by MCTS Blue Line and Routes 19 and 23. Free parking is available in the lot northwest of GWC.
If you are unable to attend the public meeting with UEDA on March 18, the same information and materials will be presented at a series of six other public informational meetings. Like the March 18 meeting, these meetings will be held in an open house format across the Region from March 9 through 19. You can also review information about the Review and Update of VISION 2050 and share your feedback through the website.
