

Online Resources

Your child has a Clever portal that provides access to a variety of online resources. For most of the online resources, Clever will automatically log your child into the online service. For a few, there is an extra step, such as keying in a password.

BrainPOP

BrainPOP is one of the most popular online services among students. Clever automatically logs students into BrainPOP:

- BrainPOP for grades 3 to 8
- BrainPOP Jr for grades K to 3
- BrainPOP Español for grades K to 8
- BrainPOP ELL for English language learners

Kids A-Z (or RazKids A-Z)

Kids A-Z is a resource to work on reading comprehension in both English or Spanish. Students in grades K to 4 have access to Kids A-Z. Also students working with T. Kaitlyn, Carolyn, and Tiia may have Kids A-Z accounts. Clever will take your child to the teacher's page. Upon clicking their name, your child will need to key in a password.

IXL

ICS has been using IXL as a primary online resource for mathematics for several years. IXL Math is available to students in grades K to 8. IXL ELA and Science is available to students in grades 3 to 8. The Clever portal takes the student to the IXL sign-in page for Independence Charter School. Your child only needs to click on "Sign in with Google" to log into IXL. If prompted, your child needs to supply their school G Suite (email) account.

TumbleBook Library

TumbleBook Library is another online reading resource for students in grades K to 3. Clever automatically logs your child into a library of ebooks.
