**Call to Worship - Julie**

God is in the water that restores our soul.

**And God is in the night when we lose our way.**

God is in today and tomorrow, raising up leaders, prophets and dreamers.

**And God is in the wilderness with us—every step of the way.**

So with confidence we declare—

**If God is in those spaces, then God is surely here.**

Let us worship the God of creation.

**Let us worship the God of wilderness spaces.**
