

AAP Colorado Chapter's Annual CME Conference 2020

Children's Hospital Colorado Conference and Education Center
Anschutz Medical Campus, Aurora, CO

Friday, April 10, 2020

Overview and Target Audience

The AAP Colorado Chapter's Annual CME Conference is a full day event designed to address clinical issues relevant to primary care pediatricians, family medicine clinicians, and other health care professionals. The format includes didactic presentations with interactive case-based discussions and time for questions and answers. Technology will allow audience participation via text questions and an audience response system. This year's conference will be informative, collaborative, stimulating, and in a format constructed to make learning stick.
