

## GREATER SHEPPARTON WHOLE-OF-PERSON® RECRUITMENT AND RETENTION WORKSHOP

### Are you having trouble recruiting your ideal candidate, or retaining your best worker?

If this sounds familiar, you won't want to miss the **free** Greater Shepparton Whole-of-Person® Recruitment and Retention Workshop delivered by expert social science researcher, academic and 2018 Churchill Fellow, Dr Cath Cosgrave.

Dr Cosgrave has a wealth of experience in attraction and retention in rural areas, and is passionate about seeing local communities, like Greater Shepparton, thrive.

This workshop provides insights into recruitment and retention challenges and will deliver strategies and processes for local businesses to attract best candidates for the job and secure them as long-term employees.

The workshop will be informal and highly interactive with:

- Opportunities for questions and answers throughout; and
- A group session using Dr Cosgrave's Whole-of-Person Retention Improvement Framework® to develop a Recruitment and Retention Action Plan for Greater Shepparton

You'll leave this workshop with the confidence and understanding to lead effective recruitment and retention change in your organisation.

Lunch will be provided. Limited spots available so don't miss out.

You can find more information on Dr Cosgrave on LinkedIn, Researchgate, or Twitter at @Cathcos1

**To RSVP, please reply to this email by 5pm Friday 20 March.**
