SENsory Atelier at home

Learning resources designed for young people with SEND to explore at home.

Co-designed with Sian Watson Taylor as part of the SENsory Atelier programme

LEARNING AND DISCOVERING

• Experimenting with colour matching
• Exploring different Materials
• LEARNING - Through Visual Art
  Science
  Language
  Problem Solving
  Creative thinking

Co-designed with Sian Watson Taylor as part of the SENsory Atelier programme
Layer tray with baking soda. Make the layer thick so it covers the whole bottom of the tray.

**Bubbling colours**

You will need:
- Cups
- Tray or dish
- Baking Soda
- Vinegar
- Food colouring
- Pipette (or child’s Medicine Syringe)
2. Add a couple of drops of food colouring to the Vinegar.

3. Use the pipette or Syringe to suck up the coloured Vinegar Mix.
Squeeze the coloured Vinegar Mix, letting drops fall into the baking Soda.

Watch the colours explode.

**Colour Hunt**

Tray work • Table Top • Big Scale

You will need

- The colour hunt chart
- Colour cut out pages* *(can be viewed on a screen if you don’t have access to a printer)*
- Tubs or bowls to collect coloured objects in. *(optional)*

Using the cut out colour cards. Go on a colour hunt. How many objects can you find that are the same colours as your colour cards.

Yellow • Red • Pink • Blue

Colour Hunt chart

Co-designed with Sian Watson Taylor as part of the SENsory Atelier programme
With the Colour Hunt Chart, see if you can find the colour tones. Light, middle, dark.

Group all your found objects into colour piles. Which is your favourite?
Create a beautiful rainbow collage by laying all the objects down.
Co-designed with Sian Watson Taylor as part of the SENSory Atelier programme

**Colour Changing Milk**

You will need:

- Washing up liquid or liquid soap
- Milk
- Food colouring
- Dish or dinner plate
- Cotton buds

Pour milk onto a dinner plate, covering the entire base.
Add a drop of different coloured food colouring into the center of the Milk, so they sit next to each other.

Dip the cotton bud into the liquid Soap and place the end into the Middle of the Milk for 10 Seconds.
Watch the colours explode!

Add another drop of soap to the cotton bud, play with placing it in different areas.
Our world is for everyone

We are a pioneering arts centre that has been designed to accommodate everyone.

Being accessible and inclusive means everyone can be involved: audiences, performers and staff alike.

Our world is designed for everyone. Whoever you are, you’re welcome.
