

Spring Appeal in Solidarity with Refugees

The government's decision to renege on its pledge to allow refugee children to join their families here has brought to the fore the plight of hundreds of young people now stuck in northern France.

For the past four years, Care4Calais and Stand Up To Racism (SUTR) have been working closely together to help refugees in the

region. On 23 May, SUTR is organising a trade union solidarity visit to Calais and Dunkirk in order to join Care4Calais in distributing aid to refugees.

Please take this collection sheet around your friends and colleagues and help raise cash for this endeavour.
