

Trendsetters Mystery 2020 by Sheila Christensen Fabric Requirements

Welcome to my 2020 Trendsetters Mystery! Some of you may have seen the 2019 Quilt on The Quilt Show. This quilt uses the same triangle techniques as last year, plus some regular piecing.

When you join the Trendsetters Mystery you will also gain access to my private facebook group for Trendsetters, where you can share your progress with other quilters, ask questions and see what others have been doing.

This quilt is lots of fun to make, and you can choose from three sizes:

Finished Quilt Sizes:

TWIN	QUEEN	KING
57" x 72"	88" x 88"	100" x 100"

FABRIC QUANTITIES NEEDED

1. Main Background:

Use one fabric for your main background/borders. Something plain or tone on tone is recommended.

TWIN	QUEEN	KING
2 yards (1.8m)	2 3/4 yards (2.6m)	3 1/2 yards (3.25m)

IMPORTANT: Before cutting any of your main background for the blocks, cut off the amount shown below, parallel to the selvage. This will be used for borders etc.

I recommend that you leave the selvages on both pieces. When cutting strips for the pieces in your blocks, you will cut perpendicular to the selvage.

<p>TWIN:</p> <p>Remove an 8" x length of fabric strip (parallel to the selvage).</p>	<p>The diagram shows a rectangular piece of fabric with a dark grey top section labeled "Fabric for borders" and a lighter grey bottom section. A vertical double-headed arrow on the left side of the top section is labeled "8\"/> </p>
---	--

<p>QUEEN: Remove a 12" x length of fabric strip (parallel to the selvage)</p>	
<p>KING: Cut 105" off your piece of fabric, then cut this piece down to 25" wide</p>	

2. Secondary Background.

This is a contrast to your main background. It may be anything from a gentle to a dramatic contrast.

TWIN	QUEEN	KING
3/4 yard (0.7m)	1 1/2 yards (1.4m)	1 1/2 yards (1.4m)
