CALL FOR PAPERS

All accepted and presented papers will be submitted for publication in the "CRC Press - Taylor & Francis Group"

IEMERA 2020

IEMERA is a three-day International Conference specially designed with cluster of scientific and technological sessions, providing a common platform for the researchers, academicians, industry delegates across the globe to share and exchange their knowledge and contribution. The emerging areas of research and development in Integrated Energy Management, Renewable Energy, Environment Engineering, Electrical, Electronics, Mechanical and Software technologies are major focus areas. The conference is equipped with well-organized scientific sessions, keynote and plenary lectures, research paper and poster presentations and world-class exhibitions.
