Webinar

The impact of COVID-19 on Post Cardiac Arrest Care

Date: 13th July, 2020

Time: 15:00 - 15:45
BST (UTC+1)

Chairs: **Dr Andrew Foulkes**

Consultant, UK

Jo White

Practice Development Nurse, UK

BD would like to invite you to a webinar to discuss and share experience on out of hospital cardiac arrest during the COVID-19 pandemic and its impact on the patient pathway.

A few of the recent publications from France and Italy on this topic will also be discussed.

To register, please email Emma.Nicholson@bd.com with your contact details

We look forward to welcoming you to the webinar.

Rajesh Ramachandran
Market Access Manager
Urology & Critical Care

Michaela Noor
Clinical Specialist
Critical Care
