

CARES Act - Appropriations Highlights

Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Division B - \$340 Billion

As part of a robust economic relief package to respond to the coronavirus, **Division B of the CARES Act provides \$340 billion in emergency supplemental appropriations for individuals, families, and businesses affected by this pandemic.** Because of prior investments in public health preparedness and the recent swift action of Congress to pass two emergency supplemental appropriations bills totaling more than \$10 billion, the Trump Administration was able to react immediately to this unprecedented crisis.

The CARES Act provides a third installment of supplemental funds.
