9 the same weekly basis as, any regular com-  
10 pensation otherwise payable.

11 (c) NONREDUCTION RULE.—

12 (1) IN GENERAL.—An agreement under this  
13 section shall not apply (or shall cease to apply) with  
14 respect to a State upon a determination by the Sec-  
15 retary that the method governing the computation of  
16 regular compensation under the State law of that  
17 State has been modified in a manner such that the  
18 number of weeks (the maximum benefit entitlement),  
19 or the average weekly benefit amount, of regular  
20 compensation which will be payable during the pe-  
21 riod of the agreement (determined disregarding any  
22 Federal Pandemic Unemployment Compensation)  
23 will be less than the number of weeks, or the aver-  
24 age weekly benefit amount, of the average weekly

3           amounts as the Secretary estimates the State  
4           will be entitled to receive under this section for  
5           each calendar month, reduced or increased, as  
6           the case may be, by any amount by which the  
7           Secretary finds that his estimates for any prior  
8           calendar month were greater or less than the  
9           amounts which should have been paid to the  
10          State. Such estimates may be made on the

19          from the general fund of the Treasury, without fiscal  
20          year limitation, such sums as may be necessary for  
21          purposes of this subsection.

22          (e) APPLICABILITY.—An agreement entered into  
23          under this section shall apply to weeks of unemployment—

24                  (1) beginning after the date on which such  
25          agreement is entered into; and

1 (2) ending on or before July 31, 2020.

2 (f) FRAUD AND OVERPAYMENTS.—

3 (1) IN GENERAL.—If an individual knowingly  
4 has made, or caused to be made by another, a false  
5 statement or representation of a material fact, or  
6 knowingly has failed, or caused another to fail, to  
7 disclose a material fact, and as a result of such false

19 section 1001 of title 18, United States Code.

20 (2) REPAYMENT.—In the case of individuals  
21 who have received amounts of Federal Pandemic  
22 Unemployment Compensation to which they were  
23 not entitled, the State shall require such individuals  
24 to repay the amounts of such Federal Pandemic Un-  
25 employment Compensation to the State agency, ex-

1       cept that the State agency may waive such repay-  
2       ment if it determines that—

3               (A) the payment of such Federal Pandemic  
4       Unemployment Compensation was without fault  
5       on the part of any such individual; and

6               (B) such repayment would be contrary to  
7       equity and good conscience.

8       (3) RECOVERY BY STATE AGENCY.—

10       recover the amount to be repaid, or any part  
11       thereof, by deductions from any Federal Pan-  
12       demic Unemployment Compensation payable to  
13       such individual or from any unemployment  
14       compensation payable to such individual under  
15       any State or Federal unemployment compensa-

21       the 3-year period after the date such individuals  
22       received the payment of the Federal Pandemic  
23       Unemployment Compensation to which they  
24       were not entitled, in accordance with the same

7           fair hearing has been given to the individual,  
8           and the determination has become final.

9                   (4) REVIEW.—Any determination by a State  
10          agency under this section shall be subject to review  
11          in the same manner and to the same extent as deter-  
12          minations under the State unemployment compensa-  
13          tion law, and only in that manner and to that ex-

18          provisions of this section shall be applied with respect to  
19          unemployment benefits described in subsection (i)(2) to

21 eligible.

22 (6) NONREDUCTION RULE.—

23 (A) IN GENERAL.—An agreement under  
24 this section shall not apply (or shall cease to

3           under the State law of that State has been  
4           modified in a manner such that the number of  
5           weeks (the maximum benefit entitlement), or  
6           the average weekly benefit amount, of regular  
7           compensation which will be payable during the  
8           period of the agreement will be less than the  
9           number of weeks, or the average weekly benefit  
10          amount, of the average weekly benefit amount  
11          of regular compensation which would otherwise

20 (1) IN GENERAL.—If an individual knowingly  
21 has made, or caused to be made by another, a false

21              (A) the payment of such pandemic emer-  
22       gency unemployment compensation was without  
23       fault on the part of any such individual; and

24              (B) such repayment would be contrary to  
25       equity and good conscience.

1           (3) RECOVERY BY STATE AGENCY.—

2           (A) IN GENERAL.—The State agency shall  
3           recover the amount to be repaid, or any part

10          the State agency or under any other State or  
11          Federal law administered by the State agency  
12          which provides for the payment of any assist-  
13          ance or allowance with respect to any week of  
14          unemployment, during the 3-year period after  
15          the date such individuals received the payment  
16          of the pandemic emergency unemployment com-  
17          pensation to which they were not entitled, in ac-

7 (B) TREATMENT OF PLAN DISTRIBUTIONS.—If a distribution to an individual would  
8 (without regard to subparagraph (A)) be a  
9 coronavirus-related distribution, a plan shall not  
10 be treated as violating any requirement of the  
11 Internal Revenue Code of 1986 merely because  
12 the plan treats such distribution as a  
13 coronavirus-related distribution, unless the ag-  
14 gregate amount of such distributions from all  
15 plans maintained by the employer (and any  
16 member of any controlled group which includes

7 in an aggregate amount not to exceed the  
8 amount of such distribution to an eligible retire-

19 tribution is made pursuant to subparagraph (A)  
20 with respect to a coronavirus-related distribu-  
21 tion from an eligible retirement plan other than  
22 an individual retirement plan, then the taxpayer  
23 shall, to the extent of the amount of the con-  
24 tribution, be treated as having received the  
25 coronavirus-related distribution in an eligible

1           rollover distribution (as defined in section  
2           402(c)(4) of such Code) and as having trans-

10          with respect to a coronavirus-related distribu-  
11          tion from an individual retirement plan (as de-  
12          fined by section 7701(a)(37) of such Code),  
13          then, to the extent of the amount of the con-  
14          tribution, the coronavirus-related distribution  
15          shall be treated as a distribution described in  
16          section 408(d)(3) of such Code and as having  
17          been transferred to the eligible retirement plan  
18          in a direct trustee to trustee transfer within 60  
19          days of the distribution.

8       such an approved new drug application.

9           “(5) DRUGS NOT GRASE DEEMED NEW  
10       DRUGS.—A drug that the Secretary has determined

3 “(C) STANDARD.—The Secretary shall find  
4 that a drug is not generally recognized as safe  
5 and effective under section 201(p)(1) if—

6 “(i) the evidence shows that the drug  
7 is not generally recognized as safe and ef-  
8 fective under section 201(p)(1); or

9 “(ii) the evidence is inadequate to  
10 show that the drug is generally recognized

13 “(2) ADMINISTRATIVE ORDERS INITIATED BY  
14 THE SECRETARY.—

15 “(A) IN GENERAL.—In issuing an adminis-

18 “(i) make reasonable efforts to notify

18 (iii), the Secretary determines that it is ap-  
19 propriate to issue a final administrative  
20 order—

21 “(I) issue the final administrative  
22 order, together with a detailed state-  
23 ment of reasons, which order shall not

24 “(B) EXCEPTIONS.—When issuing an ad-

1 Secretary's initiative proposing to determine  
2 that a drug described in subsection (a)(3) is not

5 procedures in subparagraph (A), except that—

6 “(i) the proposed order shall include  
7 notice of—

8 “(I) the general categories of  
9 data the Secretary has determined  
10 necessary to establish that the drug is  
11 generally recognized as safe and effective  
12 under section 201(p)(1); and

13 “(II) the format for submissions  
14 by interested persons;

15 “(ii) the Secretary shall provide for a  
16 public comment period of no less than 180  
17 calendar days with respect to such proposed

19 for good cause, that a shorter period is in the  
20 interest of public health; and

21 “(iii) any person who submits data in  
22 such comment period shall include a certification  
23 that the person has submitted all  
24 evidence created, obtained, or received by  
25 that person that is both within the cat-

5 “(3) HEARINGS; JUDICIAL REVIEW.—

“(A) IN GENERAL.—Only a person who participated in each stage of formal dispute resolution under subclause (III) of paragraph (2)(A)(iv) of an administrative order with respect to a drug may request a hearing concerning a final administrative order issued under such paragraph with respect to such drug. If a hearing is sought, such person must submit a request for a hearing, which shall be based solely on information in the administrative record, to the Secretary not later than 30 calendar days after receiving notice of the final decision of the formal dispute resolution procedure.

20 “(B) NO HEARING REQUIRED WITH RE-  
21 SPECT TO ORDERS RELATING TO CERTAIN  
22 DRUGS.—

23 “(i) IN GENERAL.—The Secretary  
24 shall not be required to provide notice and

1 paragraph (2)(A)(iv) if the final adminis-  
2 trative order involved relates to a drug—

3 “(I) that is described in sub-  
4 section (a)(3)(A); and

5 “(II) with respect to which no  
6 human or non-human data studies rel-  
7 evant to the safety or effectiveness of  
8 such drug have been submitted to the  
9 administrative record since the  
10 issuance of the most recent tentative

1 “(C) HEARING PROCEDURES.—

2 “(i) DENIAL OF REQUEST FOR HEAR-  
3 ING.—If the Secretary determines that in-  
4 formation submitted in a request for a  
5 hearing under subparagraph (A) with re-  
6 spect to a final administrative order issued  
7 under paragraph (2)(A)(iv) does not iden-  
8 tify the existence of a genuine and sub-  
9 stantial question of material fact, the Sec-  
10 retary may deny such request. In making  
11 such a determination, the Secretary may  
12 consider only information and data that  
13 are based on relevant and reliable scientific  
14 principles and methodologies.

15 “(ii) SINGLE HEARING FOR MULTIPLE  
16 RELATED REQUESTS.—If more than one  
17 request for a hearing is submitted with re-  
18 spect to the same administrative order  
19 under subparagraph (A), the Secretary  
20 may direct that a single hearing be con-  
21 ducted in which all persons whose hearing  
22 requests were granted may participate.

23 “(iii) PRESIDING OFFICER.—The pre-  
24 siding officer of a hearing requested under  
25 subparagraph (A) shall—

1                   “(I) be designated by the Sec-  
2                   retary;

3                   “(II) not be an employee of the  
4                   Center for Drug Evaluation and Re-

7                   involved in the development of the ad-  
8                   ministrative order involved or pro-  
9                   ceedings relating to that administra-  
10                  tive order.

11                  “(iv) RIGHTS OF PARTIES TO HEAR-  
12                  ING.—The parties to a hearing requested  
13                  under subparagraph (A) shall have the  
14                  right to present testimony, including testi-  
15                  mony of expert witnesses, and to cross-ex-  
16                  amine witnesses presented by other parties.  
17                  Where appropriate, the presiding officer  
18                  may require that cross-examination by par-  
19                  ties representing substantially the same in-  
20                  terests be consolidated to promote effi-  
21                  ciency and avoid duplication.

22                  “(v) FINAL DECISION.—

23                  “(I) At the conclusion of a hear-

2                   findings of fact and conclusions of  
3                   law. The decision of the presiding offi-  
4                   cer shall be final.

5                   “(II) The final decision may not  
6                   take effect until the period under sub-  
7                   paragraph (D)(ii) for submitting a re-  
8                   quest for judicial review of such deci-  
9                   sion expires.

10                  “(D) JUDICIAL REVIEW OF FINAL ADMIN-  
11                  ISTRATIVE ORDER.—

12                  “(i) IN GENERAL.—The procedures  
13                  described in section 505(h) shall apply  
14                  with respect to judicial review of final ad-  
15                  ministrative orders issued under this sub-  
16                  section in the same manner and to the  
17                  same extent as such section applies to an  
18                  order described in such section except that  
19                  the judicial review shall be taken by filing  
20                  in an appropriate district court of the  
21                  United States in lieu of the appellate  
22                  courts specified in such section.

23                  “(ii) PERIOD TO SUBMIT A REQUEST  
24                  FOR JUDICIAL REVIEW.—A person eligible  
25                  to request a hearing under this paragraph

1                   and seeking judicial review of a final ad-  
2                   ministrative order issued under this sub-  
3                   section shall file such request for judicial  
4                   review not later than 60 calendar days  
5                   after the latest of—

6                               “(I) the date on which notice of  
7                               such order is published;

8                               “(II) the date on which a hearing  
9                               with respect to such order is denied  
10                              under subparagraph (B) or (C)(i);

11                             “(III) the date on which a final  
12                             decision is made following a hearing  
13                             under subparagraph (C)(v); or

14                             “(IV) if no hearing is requested,  
15                             the date on which the time for re-  
16                             questing a hearing expires.

17                   “(4) EXPEDITED PROCEDURE WITH RESPECT  
18                   TO ADMINISTRATIVE ORDERS INITIATED BY THE

21                             HEALTH.—

22                             “(i) IN GENERAL.—In the case of a  
23                             determination by the Secretary that a  
24                             drug, class of drugs, or combination of  
25                             drugs subject to this section poses an im-

1           minent hazard to the public health, the  
2           Secretary, after first making reasonable ef-  
3           forts to notify, not later than 48 hours be-  
4           fore issuance of such order under this sub-  
5           paragraph, sponsors who have a listing in  
6           effect under section 510(j) for such drug  
7           or combination of drugs—

8                   “(I) may issue an interim final  
9                   administrative order for such drug,  
10                  class of drugs, or combination of  
11                  drugs under paragraph (1), together  
12                  with a detailed statement of the rea-  
13                  sons for such order;

14                  “(II) shall publish in the Federal  
15                  Register a notice of availability of any  
16                  such order; and

17                  “(III) shall provide for a public

25                  “(B) SAFETY LABELING CHANGES.—

1                   “(i) IN GENERAL.—In the case of a

5                   this section is reasonably expected to miti-  
6                   gate a significant or unreasonable risk of  
7                   a serious adverse event associated with use  
8                   of the drug, the Secretary may—

9                   “(I) make reasonable efforts to  
10                  notify informally, not later than 48  
11                  hours before the issuance of the in-  
12                  terim final order, the sponsors of  
13                  drugs who have a listing in effect  
14                  under section 510(j) for such drug or  
15                  combination of drugs;

16                  “(II) after reasonable efforts of  
17                  notification, issue an interim final ad-

10                  the drug.

11                  “(C) EFFECTIVE DATE.—An order under  
12                  subparagraph (A) or (B) shall take effect on a

“(E) HEARINGS.—A sponsor of a drug  
subject to a final order issued under subpara-

6                   “(ii) if the Secretary determines that

17                   quest does not meet the requirements for  
18                   filing or is not sufficiently complete and  
19                   formatted to permit a substantive review,  
20                   the requestor may demand that the request  
21                   be filed over protest, and the Secretary  
22                   shall initiate proceedings to review the re-

21                   fective under section 201(p)(1), ex-  
22                   empt from section 503(b)(1), and not

4 as safe and effective under sec-  
5 tion 201(p)(1) in accordance with  
6 subsection (a)(1), (a)(2), or an  
7 order under this subsection; or

8 “(bb) subject to subsection  
9 (a)(3), but only if such requestor  
10 initiates such request in conjunc-

13 drug is generally recognized as  
14 safe and effective under section  
15 201(p)(1), which is filed by the  
16 Secretary under subparagraph

18 “(ii) EXCEPTION.—The Secretary is  
19 not required to complete review of a re-

3 “(iii) WITHDRAWAL.—The requestor  
4 may withdraw a request under this para-

11                  drug described in clause (iii); or

12                  “(II) provides for a change in the  
13                  conditions of use of a drug, for which  
14                  new human data studies conducted or  
15                  sponsored by the requestor (or for  
16                  which the requestor has an exclusive

17 clause (ii)(I), relating to active  
18 ingredients; or

19 “(bb) changes described in  
20 clause (ii)(II), relating to condi-

12 “(v) NEW HUMAN DATA STUDIES DE-

14 ‘new human data studies’ means clinical  
15 trials of safety or effectiveness (including  
16 actual use studies), pharmacokinetics stud-

18 which—

19 “(I) have not been relied on by  
20 the Secretary to support—

18                      quest under this section that a drug described  
19                      in subparagraph (B) be generally recognized as  
20                      safe and effective, the Secretary—

21                      “(i) may file such request, if the re-  
22                      quest includes information specified under  
23                      subparagraph (C) with respect to safe non-  
24                      prescription marketing and use of such  
25                      drug; or

1                   “(ii) if the request fails to include in-  
2                   formation specified under subparagraph  
3                   (C), shall refuse to file such request and

7                   “(B) DRUG DESCRIBED.—A drug de-

17                  “(C) INFORMATION DEMONSTRATING  
18                  PRIMA FACIE SAFE NONPRESCRIPTION MAR-  
19                  KETING AND USE.—Information specified in  
20                  this subparagraph, with respect to a request de-  
21                  scribed in subparagraph (A)(i), is—

22                  “(i) information sufficient for a prima  
23                  facie demonstration that the drug subject  
24                  to such request has a verifiable history of  
25                  being marketed and safely used by con-

1           sumers in the United States as a non-  
2           prescription drug under comparable condi-  
3           tions of use;

4           “(ii) if the drug has not been pre-  
5           viously marketed in the United States as a  
6           nonprescription drug, information suffi-  
7           cient for a prima facie demonstration that  
8           the drug was marketed and safely used  
9           under comparable conditions of marketing  
10          and use in a country listed in section  
11          802(b)(1)(A) or designated by the Sec-

13          802(b)(1)(B)—

14          “(I) for such period as needed to  
15          provide reasonable assurances con-  
16          cerning the safe nonprescription use  
17          of the drug; and

18          “(II) during such time was sub-  
19          ject to sufficient monitoring by a reg-  
20          ulatory body considered acceptable by  
21          the Secretary for such monitoring  
22          purposes, including for adverse events  
23          associated with nonprescription use of  
24          the drug; or

1                   “(iii) if the Secretary determines that  
2                   information described in clause (i) or (ii) is  
3                   not needed to provide a prima facie dem-  
4                   onstration that the drug can be safely mar-  
5                   keted and used as a nonprescription drug,  
6                   such other information the Secretary deter-  
7                   mines is sufficient for such purposes.

8                   “(D)   MARKETING   PURSUANT   TO   NEW  
9                   DRUG APPLICATION.—In the case of a request  
10                  described in subparagraph (A)(ii), the drug  
11                  subject to such request may be resubmitted for  
12                  filing only if—

13                   “(i) the drug is marketed as a non-  
14                   prescription drug, under conditions of use  
15                   comparable to the conditions specified in  
16                   the request, for such period as the Sec-  
17                   retary determines appropriate (not to ex-  
18                   ceed 5 consecutive years) pursuant to an  
19                   application approved under section 505;  
20                   and

21                   “(ii) during such period, 1,000,000  
22                   retail packages of the drug, or an equiva-  
23                   lent quantity as determined by the Sec-  
24                   retary, were distributed for retail sale, as

1                   determined in such manner as the Sec-  
2                   retary finds appropriate.

3                   “(E) RULE OF APPLICATION.—Except in  
4                   the case of a request involving a drug described  
5                   in section 586(9), as in effect on January 1,  
6                   2017, if the Secretary refuses to file a request  
7                   under this paragraph, the requestor may not  
8                   file such request over protest under paragraph  
9                   (5)(A)(iii).

10                  “(7) PACKAGING.—An administrative order  
11                  issued under paragraph (2), (4)(A), or (5) may in-  
12                  clude requirements for the packaging of a drug to  
13                  encourage use in accordance with labeling. Such re-  
14                  quirements may include unit dose packaging, re-  
15                  quirements for products intended for use by pedi-  
16                  atric populations, requirements to reduce risk of  
17                  harm from unsupervised ingestion, and other appro-  
18                  priate requirements. This paragraph does not au-  
19                  thorize the Food and Drug Administration to re-  
20                  quire standards or testing procedures as described in  
21                  part 1700 of title 16, Code of Federal Regulations.

22                  “(8) FINAL AND TENTATIVE FINAL MONO-  
23                  GRAPHS FOR CATEGORY I DRUGS DEEMED FINAL  
24                  ADMINISTRATIVE ORDERS.—

1           “(A) IN GENERAL.—A final monograph or  
2 tentative final monograph described in subpara-  
3 graph (B) shall be deemed to be a final admin-  
4 istrative order under this subsection and may  
5 be amended, revoked, or otherwise modified in  
6 accordance with the procedures of this sub-  
7 section.

8           “(B) MONOGRAPHS DESCRIBED.—For pur-  
9 poses of subparagraph (A), a final monograph  
10 or tentative final monograph is described in this  
11 subparagraph if it—

12               “(i) establishes conditions of use for a  
13 drug described in paragraph (1) or (2) of  
14 subsection (a); and

15               “(ii) represents the most recently pro-  
16 mulgated version of such conditions, in-  
17 cluding as modified, in whole or in part, by  
18 any proposed or final rule.

19           “(C) DEEMED ORDERS INCLUDE HARMO-  
20 NIZING TECHNICAL AMENDMENTS.—The  
21 deemed establishment of a final administrative  
22 order under subparagraph (A) shall be con-  
23 strued to include any technical amendments to  
24 such order as the Secretary determines nec-  
25 essary to ensure that such order is appro-

1           priately harmonized, in terms of terminology or  
2           cross-references, with the applicable provisions  
3           of this Act (and regulations thereunder) and  
4           any other orders issued under this section.

5           “(c) PROCEDURE FOR MINOR CHANGES.—

6           “(1) IN GENERAL.—Minor changes in the dos-  
7           age form of a drug that is described in paragraph  
8           (1) or (2) of subsection (a) or the subject of an  
9           order issued under subsection (b) may be made by  
10          a requestor without the issuance of an order under  
11          subsection (b) if—

12           “(A) the requestor maintains such infor-  
13          mation as is necessary to demonstrate that the  
14          change—

15           “(i) will not affect the safety or effec-  
16          tiveness of the drug; and

17           “(ii) will not materially affect the ex-  
18          tent of absorption or other exposure to the  
19          active ingredient in comparison to a suit-  
20          able reference product; and

21           “(B) the change is in conformity with the  
22          requirements of an applicable administrative  
23          order issued by the Secretary under paragraph  
24          (3).

25          “(2) ADDITIONAL INFORMATION.—

1           “(A) ACCESS TO RECORDS.—A sponsor  
2           shall submit records requested by the Secretary  
3           relating to such a minor change under section  
4           704(a)(4), within 15 business days of receiving  
5           such a request, or such longer period as the  
6           Secretary may provide.

7           “(B) INSUFFICIENT INFORMATION.—If the  
8           Secretary determines that the information con-  
9           tained in such records is not sufficient to dem-  
10          onstrate that the change does not affect the  
11          safety or effectiveness of the drug or materially  
12          affect the extent of absorption or other expo-  
13          sure to the active ingredient, the Secretary—

14               “(i) may so inform the sponsor of the  
15               drug in writing; and

16               “(ii) if the Secretary so informs the  
17               sponsor, shall provide the sponsor of the  
18               drug with a reasonable opportunity to pro-  
19               vide additional information.

20           “(C) FAILURE TO SUBMIT SUFFICIENT IN-  
21          FORMATION.—If the sponsor fails to provide  
22          such additional information within a time pre-  
23          scribed by the Secretary, or if the Secretary de-  
24          termines that such additional information does  
25          not demonstrate that the change does not—

1 “(i) affect the safety or effectiveness  
2 of the drug; or

3 “(ii) materially affect the extent of  
4 absorption or other exposure to the active  
5 ingredient in comparison to a suitable ref-  
6 erence product,

7 the drug as modified is a new drug under sec-  
8 tion 201(p) and shall be deemed to be mis-  
9 branded under section 502(ee).

10 “(3) DETERMINING WHETHER A CHANGE WILL  
11 AFFECT SAFETY OR EFFECTIVENESS.—

12 “(A) IN GENERAL.—The Secretary shall  
13 issue one or more administrative orders speci-  
14 fying requirements for determining whether a  
15 minor change made by a sponsor pursuant to  
16 this subsection will affect the safety or effective-  
17 ness of a drug or materially affect the extent of  
18 absorption or other exposure to an active ingre-  
19 dient in the drug in comparison to a suitable  
20 reference product, together with guidance for  
21 applying those orders to specific dosage forms.

22 “(B) STANDARD PRACTICES.—The orders  
23 and guidance issued by the Secretary under  
24 subparagraph (A) shall take into account rel-  
25 evant public standards and standard practices

1           for evaluating the quality of drugs, and may  
2           take into account the special needs of popu-  
3           lations, including children.

4           “(d) CONFIDENTIALITY OF INFORMATION SUB-  
5           MITTED TO THE SECRETARY.—

6           “(1) IN GENERAL.—Subject to paragraph (2),  
7           any information, including reports of testing con-  
8           ducted on the drug or drugs involved, that is sub-  
9           mitted by a requestor in connection with proceedings  
10          on an order under this section (including any minor  
11          change under subsection (c)) and is a trade secret  
12          or confidential information subject to section  
13          552(b)(4) of title 5, United States Code, or section  
14          1905 of title 18, United States Code, shall not be  
15          disclosed to the public unless the requestor consents  
16          to that disclosure.

17          “(2) PUBLIC AVAILABILITY.—

18                 “(A) IN GENERAL.—Except as provided in  
19                 subparagraph (B), the Secretary shall—

20                         “(i) make any information submitted  
21                         by a requestor in support of a request  
22                         under subsection (b)(5)(A) available to the  
23                         public not later than the date on which the  
24                         proposed order is issued; and

1 “(ii) make any information submitted  
2 by any other person with respect to an  
3 order requested (or initiated by the Sec-  
4 retary) under subsection (b), available to  
5 the public upon such submission.

6 “(B) LIMITATIONS ON PUBLIC AVAIL-  
7 ABILITY.—Information described in subpara-  
8 graph (A) shall not be made public if—

9 “(i) the information pertains to phar-  
10 maceutical quality information, unless such  
11 information is necessary to establish stand-  
12 ards under which a drug is generally rec-  
13 ognized as safe and effective under section  
14 201(p)(1);

15 “(ii) the information is submitted in a  
16 requestor-initiated request, but the re-  
17 questor withdraws such request, in accord-  
18 ance with withdrawal procedures estab-  
19 lished by the Secretary, before the Sec-  
20 retary issues the proposed order;

21 “(iii) the Secretary requests and ob-  
22 tains the information under subsection (c)  
23 and such information is not submitted in  
24 relation to an order under subsection (b);  
25 or

1 “(iv) the information is of the type  
2 contained in raw datasets.

3 “(e) UPDATES TO DRUG LISTING INFORMATION.—  
4 A sponsor who makes a change to a drug subject to this  
5 section shall submit updated drug listing information for  
6 the drug in accordance with section 510(j) within 30 cal-  
7 endar days of the date when the drug is first commercially  
8 marketed, except that a sponsor who was the order re-  
9 questor with respect to an order subject to subsection  
10 (b)(5)(C) (or a licensee, assignee, or successor in interest  
11 of such requestor) shall submit updated drug listing infor-  
12 mation on or before the date when the drug is first com-  
13 mercially marketed.

14 “(f) APPROVALS UNDER SECTION 505.—The provi-  
15 sions of this section shall not be construed to preclude a  
16 person from seeking or maintaining the approval of an ap-  
17 plication for a drug under sections 505(b)(1), 505(b)(2),  
18 and 505(j). A determination under this section that a drug  
19 is not subject to section 503(b)(1), is generally recognized  
20 as safe and effective under section 201(p)(1), and is not  
21 a new drug under section 201(p) shall constitute a finding  
22 that the drug is safe and effective that may be relied upon  
23 for purposes of an application under section 505(b)(2), so  
24 that the applicant shall be required to submit for purposes  
25 of such application only information needed to support any

1 modification of the drug that is not covered by such deter-  
2 mination under this section.

3 “(g) PUBLIC AVAILABILITY OF ADMINISTRATIVE OR-  
4 DERS.—The Secretary shall establish, maintain, update  
5 (as determined necessary by the Secretary but no less fre-  
6 quently than annually), and make publicly available, with  
7 respect to orders issued under this section—

8 “(1) a repository of each final order and in-  
9 terim final order in effect, including the complete  
10 text of the order; and

11 “(2) a listing of all orders proposed and under  
12 development under subsection (b)(2), including—

13 “(A) a brief description of each such order;  
14 and

15 “(B) the Secretary’s expectations, if re-  
16 sources permit, for issuance of proposed orders  
17 over a 3-year period.

18 “(h) DEVELOPMENT ADVICE TO SPONSORS OR RE-  
19 QUESTORS.—The Secretary shall establish procedures  
20 under which sponsors or requestors may meet with appro-  
21 priate officials of the Food and Drug Administration to  
22 obtain advice on the studies and other information nec-  
23 essary to support submissions under this section and other  
24 matters relevant to the regulation of nonprescription

1 drugs and the development of new nonprescription drugs  
2 under this section.

3 “(i) PARTICIPATION OF MULTIPLE SPONSORS OR RE-  
4 QUESTORS.—The Secretary shall establish procedures to  
5 facilitate efficient participation by multiple sponsors or re-  
6 questors in proceedings under this section, including provi-  
7 sion for joint meetings with multiple sponsors or reques-  
8 tors or with organizations nominated by sponsors or re-

1                   (i) There is an urgent need for per-

6 personal protective equipment and COVID-19

4 of the Register to act under subsection (a) does not extend  
5 to provisions under chapter 3, except section 304(c), or
