To all dnata Brussel coworkers,

Date: March 13th 2020  
Concerning: measures against Corona virus (covid-19)

The health and wellbeing of our coworkers has the highest priority. Based on the guidelines of WHO (World Health Organisation), Belgian Department of Health, Belgian Department of Labour, Brussels Airport Company and dnata worldwide, following guidelines were issued for dnata Brussels. Please follow these guidelines in the interest of your own health and the health of your coworkers and visitors.

1) Wash your hands regularly

2) Cough or sneeze in disposable paper handkerchief and throw handkerchief in wastebin – if you do not have handkerchief, cough or sneeze in elbow pit.

3) Avoid shaking hands  
4) Avoid touching your face with your hands, in particular your mouth and nose  
5) Avoid contact with sick people  
6) Try to keep a minimum distance of 1m to other people

7) Limit visitors to strict minimum.
8) Limit number of drivers to 2 present at the same time in office waiting area and acceptance area in warehouse.  
9) If you are ill, stay home and contact your general practitioner

Kind regards

Peter Brauns  
Safety manager
