

Road Works Notice

Where:	<u>Commerce St, Kaitaia</u> Melba Street to Empire Street (refer to site map on reverse side)
When:	Wednesday 19th February 2020 + Thursday 20th February 2020 (weather dependant)
Times:	Night Shift: 7:00pm to 6:00am
Duration:	2 x night shifts

On behalf of the Far North District Council, Fulton Hogan will be carrying out resurfacing work in your area. In the event of bad weather, the work will be rescheduled to a later date.

A new traffic control layout may be in operation during the work and brief delays may be experienced. Your cooperation in following the directions of any traffic control staff on duty and our temporary road signs would be appreciated.

On-street parking may be limited during work hours. Any vehicles parked in the work area will be towed to a safe position a short distance from the work site. Every effort will be made to locate the owner before towing. To avoid any inconvenience we would appreciate if you could park your vehicle away from the work area on scheduled work days.

There may be parts of the operation which cause minor dust nuisance. We will make every effort to minimise dust emissions and have controls in place to manage any potential dust issues.

Should you require assistance at any time please do not hesitate to ask our onsite staff.

For further information please contact the council engineer:

Name: Paul Wilson
Phone: 027 555 7761

We thank you in advance for your patience and cooperation while we undertake this work.
