To our valued customers,

Province Electric Supply Ltd. is working diligently to respect all measures and restrictions put in place by public health authorities to safeguard the health and well-being of our employees, customers, business partners and their families to slow the spread of COVID-19.

We understand the importance of having an effective action plan in place that follows the Government’s recommendations and we will continue to enforce those recommendations and adjust or implement new safety measures as required.

Please rest assured that we are taking this situation very seriously and that we are monitoring and staying up to date on events as they unfold.

We are here to serve our customers and intend to continue to provide support to the best of our abilities through this difficult time.

Should you have any questions or concerns please do not hesitate to contact us.

Regards,

John Mole
President & General Manager

Shawn Mole
VP, IT & Operations
To All Staff,

Please ensure that you follow these procedures moving forward. We must do our part in slowing the spread of COVID-19.

Effectively Immediately:

1. Practice social distancing – Try to keep at least 1 meter between yourself and others.
2. Wash your hands frequently, with soap and hot water for 20 seconds.
3. Do not touch your nose, eyes, face with unwashed hands, be aware when you touch your face.
4. Cough or sneeze into your elbow or a tissue and remember to dispose of the tissue immediately if a tissue is used.
5. If you have flu like symptoms please seek medical attention immediately.
6. Please use disinfectant wipes and hand sanitizer when required.
7. Please wipe down your workstation including your keyboard, mouse and phone daily.
8. Try to use your work station only - try not to share. This will be difficult at counters and warehouses so please disinfect them often during the day.

John Mole
