About Us
Eastern Health is the largest, integrated health authority in Newfoundland and Labrador employing approximately 13,000 dedicated employees and serving a population of more than 300,000 people. The authority offers the full continuum of health and community services including public health, long-term care, community services, hospital care and unique provincial programs and services. At Eastern Health we pride ourselves on providing the highest quality care and service possible to the people in our communities, in our region, and in the province. To do that, we employ qualified, competent and caring individuals who are dedicated to their professions and to our vision of Healthy People, Healthy Communities.

Job Summary:
Eastern Health is seeking a Radiologist for the Medical Imaging Program starting February 17, 2023.

The successful candidate will join a group of 12 Radiologists working at St. Clare’s Mercy Hospital (SCMH). SCMH is the provincial tertiary care center for ENT, thoracic, and vascular surgery.

The Radiology Group offers a busy service in CT, MRI, US, Mammography, Angio-interventional, Fluoroscopy, and general radiology. The successful candidate will be expected to work as a general radiologist. If the candidate has specialty training in any field, particularly breast imaging, such skills would be of an added benefit and utilized. There is a call expectation as well and responsibilities are shared with the Radiology Residents, currently call is approximately 1 week in 8 (will change as staffing levels fluctuate).

Required Qualifications
- To be considered candidates must hold a MD.
- Certification by the Royal College Physicians and Surgeons of Canada Certification (or equivalent) in Radiology.
- Breast imagining fellowship preferred.
- Must be eligible for licensure to practice by the College of Physicians and Surgeons of NL (CPSNL).
• Satisfy credentialing requirements of Eastern Health, including a satisfactory criminal record check and vulnerable sector check.
