

# Storytelling Alberta

Connecting through story

## Story Calls! Storytelling Outreach during the COVID-19 Pandemic

March 21, 2020

Social distancing getting you down?  
Need a break from books, board games and baking?

### Story Calls!

Storytelling Alberta is offering a diversion from your pandemic woes. A number of our members will tell 5- to 10-minute stories by phone. Just fill in the form below (print and scan; or, copy and paste the contents into an email). Send to [storytellingalberta@gmail.com](mailto:storytellingalberta@gmail.com). There is no cost involved. Our performing storytellers are offering their stories—from folktales to historical stories to personal tales—as a community outreach during the pandemic. The program will run from March 23 to April 12, with a possible extension if interest warrants. We look forward to bringing Story Calls to you!

#### Story Calls! Request Form

**Please note:** Information provided will be used solely for the purposes of the Story Calls! story delivery service and will not be shared with third parties.
