

## **Introducing the new Mulderbosch Cabernet Sauvignon Sparkling Rosé**

*Mulderbosch Vineyards has recently launched it's first Sparkling Rosé and we were so excited to include this 2019 vintage in our portfolio. Mulderbosch is known for crafting innovative wines that expresses the brand's passion and creativity.*

*"Our internationally recognized range of wines reflect the passion and creativity of our people and are truly representative of the soils and climate in which our grapes are grown."*

Mulderbosch's Cabernet Sauvignon Rosé is a hugely popular wine of the brand and has gained a legendary reputation both in South Africa and internationally. We believe that the Sparkling Rosé will follow suit.

Mulderbosch's Cabernet Sauvignon vineyards are managed specifically with the idea of rosé production in mind. Early picking dates result in naturally high levels of acidity and a bright spectrum of fruit flavours which is ideal in rosé style wines.
