MEAN MIDDLE SCHOOL
VIRTUAL TOWN HALL

Transitioning to Middle School
Due to the pandemic, we were unable to visit feeder schools to meet with our upcoming 6th grade Mountain Lions about their transition to Middle School.

Please join Meany Head Counselor, Carly Baker as she walks you through what a typical day will be like for you or your student.

We do not know exactly what the 2020-2021 school year will look like, so will be discussing the topics like we are operating normally.

We will update families accordingly throughout the rest of this school year and the summer.

Topics include:
- Schedules
- Electives
- Math placement
- Athletics/Clubs
- School/Community resources
- Meany specific expectations
- Commonly asked questions/concerns about transitioning to middle school
