**Is Internet Access Required?** Internet access is required to use Canvas, our online platform. Canvas can be accessed using a computer, tablet or smartphone. Our live sessions will be hosted using Zoom. To join Zoom with video, you will need access to a computer, tablet or phone with internet access. Alternatively, you can dial into the Zoom session using your phone and get access to audio only.

**Are Scholarships Available?** Yes, we have a limited number of scholarships available, thanks to the funding support of our partners. We recognize that the COVID-19 pandemic has caused financial challenges for many families, so we have broadened our qualification requirements for this summer’s workshop. As such, we strongly encourage all students to submit their names for consideration for a scholarship. There is an option to do so on our registration form. Those who do not wish to be considered for a scholarship will need to pay a $12 registration fee.

**How do I register?** Registration is available online.

**Cancellation Policy:** If you must cancel your registration, please do so as soon as possible. This will allow any waitlisted participants the chance to participate.

**More questions?** Please email the KAWSE office at kawse@ksu.edu. We look forward to hearing from you!
