Top Policies Promoted by Health Trade Groups: Next COVID-19 Legislation

- Preserve the eligibility of current 340B program hospitals.
- Adopt liability protections for health providers.
- Subsidize COBRA coverage premiums.
- Make the telehealth waivers permanent.
- Enhance the federal share for the Medicaid program.
- Delay the implementation of the Medicaid Fiscal Accountability Regulation.
- Exempt health care workers from H-1B visa limitations.
- Grant full forgiveness of Medicare Advanced Accelerated Payments.
- Defer Medicaid DSH cuts scheduled to take effect this year.
- Provide child care assistance funding for health care workers, emergency responders and employees deemed essential.
- Appropriate additional funding for the Provider Emergency Relief Fund.
