

Hello Democrats,

I hope this email finds you well. Pride Month 2022 is rapidly approaching, and we wanted to make sure you had all of the resources necessary to organize with the DNC! Pride Month is both a time of celebration and a critical time that we remember all of the organizers and activists who fought for LGBTQ people to achieve the rights they have today.

That's why the Democratic National Committee launched our signature program to organize the LGBTQ community, 'Democrats Are Out & Proud'. This program will ensure we have critical resources like those below in order to mobilize LGBTQ Democrats and their allies ahead of the 2022 midterm elections.

We hope you, as an individual, partner organization, or state party, will take full advantage of these resources. If you have any questions, please do not hesitate to contact Sam Alleman, [allemans@dnc.org](mailto:allemans@dnc.org).

Here is what the DNC has in store for Pride Month.

### **Host an Out & Proud Pride Party**

We are looking for volunteers and activists just like you to step and host an 'Out & Proud' Pride event this June. Hosting these events will give you a chance to mobilize your networks ahead of key elections this November and to share why voting for Democrats up and down the ballot is important to the LGBTQ community.

If you're interested, please complete this [form](#) with your event details and you will receive a tool kit and additional resources to host a successful event. Upon submission, your event will automatically publish on the DNC's Mobilize America page. Please note, you will be able to export any event RSVPs or lists generated from this event form.

*If you would prefer your event be private, and not accessible by the general public and not promoted publicly by the DNC, please submit your event be private on the event submission form.*

### **Register Your Pride Engagement with the DNC**

We are asking all state parties, partners, and local Democratic clubs engaging at Pride Festivals and Parades to consider registering your event engagement [here](#). Doing so will allow anyone coming to the DNC's Mobilize America page (how we host events and track RSVP's) to join you at Pride.

Doing so will provide you a convenient tool to manage your event attendee registrations and allow the DNC to brag about your work. This is of course entirely at your own discretion. Should this not be an option for you, please consider providing a soft report of your work using this [google form](#).

*If you would prefer your event be private, and not accessible by the general public and not promoted publicly by the DNC, please submit your event be private on the event submission form.*

### **Join a Social Ambassador Training**

On Tuesday, June 14 at 7 PM ET the DNC's Social Ambassador program will host a special virtual training session for the LGBTQ+ community. Social Ambassadors is a grassroots volunteer program that combats disinformation online by amplifying achievements of both the Democrats and the Biden-Harris administration over *your* personal social media networks.

[RSVP here.](#)

### **Join the DNC's National Roundtable and Town Hall**

On Thursday, June 23 at 8 pm ET / 5 pm PT, the DNC will host a national town hall featuring DNC Chair Jaime Harrison, DNC Secretary Jason Rae, DNC LGBTQ Caucus Chair Earl Fowlkes, and other special guests. Please mark your calendars and plan to join us for this virtual event. You will not want to miss it. We will circulate more details on who will be speaking and how you can register closer to the event.

Sincerely,

Sam
