How to Deliver an Awesome Webinar

1. **Structure**
   - Engage your presentation and tell them about it
   - Introduction: Learning outcomes
   - Content: Poll, Q&A
   - Summary: Key takeaways

2. **Engage**
   - Engage them by pausing for Q&A and using audience polling

3. **Support**
   - Support their learning by providing handouts for them to work on, now and in the future
