HARVARD CAPS
HARRIS POLL

Field Dates: April 14-16, 2020
This survey was conducted online within the United States from Field Dates: April 14-16, 2020 among 2,394 registered voters by The Harris Poll. Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, education, political party, and political ideology where necessary to align them with their actual proportions in the population. Propensity score weighting was also used to adjust for respondents’ propensity to be online.

*Pollsters Mark Penn, Prof. Stephen Ansolabehere, and Dritan Nesho supervised the poll.*
