

HARVARD CAPS HARRIS POLL

The Harris Poll

CAPS

CENTER FOR AMERICAN POLITICAL STUDIES
AT HARVARD UNIVERSITY

Field Dates: February 26-28, 2020

SURVEY METHOD

This survey was conducted online within the United States from **Field Dates: February 26-28, 2020** among **2,592 registered voters** by The Harris Poll.

Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, education, political party, and political ideology where necessary to align them with their actual proportions in the population. Propensity score weighting was also used to adjust for respondents' propensity to be online.

Pollsters Mark Penn, Dritan Nesho, and Prof. Stephen Ansolabehere of Harvard supervised the poll.
