Renewable energy, Sustainable tourism

NGO Eko Kvarner

NGO Eko Kvarner is aiming to make island Krk, where it is located, not only CO2 neutral, but also self sufficient in energy and agriculture. They are also fighting against any dangerous environmental project in the area. Coming candidates will be introduced to organization's actions and events.

During the last week of the internship, the organisation will be holding an energy-economic conference that would be interesting for candidates to see and participate.
