Data collection for sustainable strategy

LAG Mareta

LAG Mareta have to start to collect data for new Local Development Strategy 2021-2027 which has to be in accord with new national and European themes, goals etc.

We will be interested for help particularly in collecting data, preparing questionnaires for various stakeholders in LAG Mareta area (City Zadar and Nin, municipalities: Kali, Kukljica, Preko, Privlaka, Sali) particularly for sustainable tourism, energy efficiency, renewable energy. Also we would like to have some help in surveys on European documentations for this thematic areas, making some comparisons and advises what could be easy to implement on LAG Mareta.
