Modesto, CA 95354

Dear Assemblyman Gray,

Congratulations on your advancement to the 2022 General Election. It is an honor to be a candidate for federal office and I know you appreciate the opportunity we have both been given.

I am writing to propose that we engage in a series of four public debates beginning September 15th in different areas throughout the district to give access to as many voters as possible.

We can give the voters of the Thirteenth District an honest contest of ideas. It is important that people are able to have an open forum to discuss our differing views for the future of our country. I am sure you will agree that in today's world a civil, open exchange of ideas would be a welcome change to the voters. To that end, I am hoping you will accept this offer to give them that.

I look forward to hearing from you soon and to having our campaigns work together to provide this opportunity to the voters.

You can have your campaign contact jennifer@johnduarteformcongress.com (858-518-1932) to discuss the best way to proceed.

Sincerely,

John Duarte

A handwritten signature in black ink, appearing to read "John Duarte", with a long horizontal line extending to the right.
