## VILLA ALEXANDRA

Set in four-acre walled gardens, with spectacular mountain views from its terraces, this distinctive family villa in Morocco is very private, truly luxurious and a great get-together venue. Luxuriantly landscaped gardens encircle this elegant house, which has evolved from its 1930s origins to become a

luxury holiday villa, offering year-round comfort and excellent service. Within the grounds, a twenty-metre swimming pool is served by a pool house and overlooked by a poolside dining pergola.

Within the house are high-ceilinged rooms, sumptuously styled with rich fabrics, eclectic antiques and Egyptian tapestries, and equipped with mod-cons from air conditioning to WiFi and satellite TV. A spacious and gracious dining room is open-plan to the colourful living room, which itself opens out to a garden terrace; and one of two roof terraces is comfortably cushioned in Moroccan style, perfect for pre-dinner drinks.

In an ideal layout for two families or a group of friends, the four bedrooms in the main house are now complemented by two guest rooms in the Pavilion. And the whole ensemble is served by a dedicated staff of six, who include a butler/driver and an experienced chef. The villa is just 13km from Marrakech, in a peaceful rural position.
