

Camano Chamber Meetings January - May 2022

We are excited to present an action packed meeting schedule for the first part of 2022. We are hoping to be able to have in person meetings starting in March - but have created Zoom Links for the meetings just in case (you must register in advance to get the Zoom Link). Stay tuned for location details if we can safely meet in person.

State of the Chamber Address January 20, 2022

Child care touches our community in so many ways. Whether it's a business owner's struggle to hire and maintain a workforce with limited access to child care, a young family's struggle to find quality care, or the general social and economic impact a lack of child care has for the broader Camano Island community, child care is both a personal and far reaching issue
