The NC may return an application to a potential candidate that may not have fulfilled their duties in a previous NADONA Board office. The NC may ask the candidate to run for another open office, if that candidate is better suited for that office than the office they originally applied. The NC may contact the NC at the state level to insure that the candidate has fulfilled their obligations of office and completed their term. The candidate will be confirmed with both the National and State levels to verify they have maintained concurrent membership and remain a member in good standing.

11. Active retired members are eligible to run for office.

As a candidate for office in NADONA, I understand by signing below, that when I am notified by the Nominations Committee of the results, I will hold this information as confidential and not release it in any platform, until NADONA has published the results.
