**VISION STATEMENT**

Five Frogs, Inc. envisions a Connecticut that is stronger and more equitable as a result of effective, diverse social impact leaders working together across boundaries of difference to solve complex problems and strengthen communities.

**MISSION STATEMENT**

Five Frogs, Inc. is building a powerful movement of diverse leaders with the competencies, mindset, drive and relationships necessary to create lasting, positive change for an equitable Connecticut. We provide individual and group support, helping leaders maximize strengths, learn from experience and leverage the power of inclusive networks.

**WHY “FIVE FROGS”?**

There is a riddle that gets at the heart of how we think about leadership:

> Five frogs are sitting on a log. Three decide to jump. How many are left? Answer: Five. The frogs only decided to jump, they didn’t actually jump.

This riddle is about action. Leaders act. We jump, we learn, we jump again.
