## 2019 Free to Be – Weisser Riesling

### Vineyards:

Aspect: North East

Age: 12 years old

Yield: 6 tons/ha

Notes: The 0,8 Ha vineyard is on the ridge at the top of the estate at an altitude of 350 meters. The soils are granitic and well drained.

### Cellar:

**Sorting:** Bunches sorted on a conveyor belt.

**Fermentation:** The grapes are destemmed and very gently pressed. Fermentation is then allowed to proceed uninoculated in a stainless tank. The wine is then racked and bottled straight after fermentation.

**Maturation:** None. The wine will mature in bottle.

### Tasting notes and analysis:

Pale straw colour.

The nose shows an array of bright fruit such as granadilla, grapefruit, peaches and lemons.

The wine has a smooth entry onto the palate with all the juicy fresh fruit coming through and freshened by a limey acidity which also brings length.

The wine will evolve significantly with time in bottle in both aromas and texture.

While it can most definitely be enjoyed and appreciated in its youth we recommend cellaring this wine.
